Situation Update

The Ear Centre of Green Pastures Hospital (GPH) has established itself as the only specialised ear hospital in the Western Region of the country. A very dedicated team of 6 Nepali doctors and 1 expatriate doctor continues to provide treatment to hearing impairment and ear related disease through quality yet affordable services. The team are able to touch lives of many people by restoring their hearing capacity.

During the reporting period, 3203 OPD visits were done and 116 patients had surgery. 68 patients underwent Speech and Language Therapy. 132 Hearing Aid devices were distributed. 1059 Hearing Tests were conducted. 82 Hearing Aid mould were repaired. Likewise, 118 patients received very good nursing care and support during their admission period in the centre.

Quarterly Achievements

EAN has been contributing to provide surgery and other necessary treatment for very poor and marginalised people. They are now able to go to school, participate in social events and contribute to their family earning.

During the reporting period 24 (14M, 10F) persons benefitted with Medical Charity Support from Ear Aid Nepal (EAN). In total, NPR 386,973 was supported through EAN. The tables below gives more detail of these patients.
